ENVELOPES

We include 10% extra envelopes with all items that include envelopes. Please let us know if you would like to order additional ones based on calligrapher's request or your own request. Color envelopes and printed return address envelopes come in your exact quantity of invitations you purchase. If you would like 10% extra or more of either, please let us know! This can be added.

PAPER SPECS

Southern Fete Creative has two standard types of paper for printing and envelopes: 1. For full color designs, invitations are printed on 100 lb. solar white silk paper. The silk absorbs the ink completely for a smooth finish. 2. For simple and classic designs (seen in our Monarch Collection), invitations are printed on a 100 lb. natural white linen paper. For an additional fee, we also offer a smooth crest 130 lb. paper in solar white and natural white. Southern Fete Creative uses flat printing.

READY TO ORDER

To begin your order, email us at valerie@southernfete.com and we can start the process! We require a \$100 deposit. This can be paid through check or card (via paypal). Once we receive this, we will send an order form to get your text, colors and quantities. Let us know if you need any sample text to help decide on wording. Send your text in the exact spelling and wording as you would like it to appear. I do not make any changes/corrections to the text. Once your invitation is formatted, you will receive a PDF proof to look over and approve. We offer 3 rounds of free revisions. To cut down on unnecessary and costly revisions, have all parties who need to approve designs (i.e. MOB or MOG, or cousin with an English degree) proof first round. Revisions beyond that will be an additional charge based on our hourly rate of \$50 an hour. Once all designs are approved, final payment is required. Following payment, everything will be sent to the printer.

CUSTOM ORDERS

For custom designs, please call or email to set up a telephone appointment to discuss your themes, style, requirements and budget. Our custom invitation pricing is our standard price + \$50 for each design hour and any add-ons.

ORDERING PROCESS

Contact us two months before you would like to receive your invites. Typically, the ordering process takes between 3-6 weeks. From the time your final proof is approved, you can expect to receive your invitations in 2-3 weeks. Rush orders available for an additional 30% fee added to the order.
